To be completed by applicant's spouse:

Dear Spouse,

We believe that individual unity with God and unity within marriage and the family are the foundational stones of true unity within the body of Christ. We also believe that the marriage covenant, instituted by God, takes a man and a woman previously separate and unites them as one- foreshadowing the unity and intimacy of Christ and His bride, which is the church (Gen. 2:21-25, Eph. 5:28-33). Therefore, we require full spousal consent to participate in the Intro to IHOP internship.

We realize that since you are one with your spouse, all activity that they participate in will ultimately affect you and your family. Our desire is that it will affect you for the good and bring you even more unity, peace, and harmony within your family. It is for this reason we ask that you would honestly answer and prayerfully consider all responses with regard to your consent of your spouse participating in the Intro to IHOP internship. Thank you in advance for your involvement in this important season in your spouse's journey.
